

Four Steps to providing **Ampyra**[™] (dalfampridine) **Extended Release Tablets 10 mg**

- 1** The physician and patient complete the enrollment form.
- 2** The physician's office faxes the completed enrollment form to AMPYRA Patient Support Services at 1-888-883-3053.
- 3** An individual from AMPYRA Patient Support Services confirms the patient's insurance and eligibility for co-pay mitigation and forwards the prescription to a specialty pharmacy.
- 4** A staff member from the specialty pharmacy contacts the patient to set up delivery of AMPYRA and will also contact the patient prior to each refill date to coordinate the next shipment.

You can contact AMPYRA Patient Support Services by calling 1-888-881-1918 Monday through Friday, from 8 AM to 8 PM ET.

AMPYRA™ Patient Support Services

Be informed about insurance coverage and access to AMPYRA™

AMPYRA™ (dalfampridine) Extended Release Tablets are distributed through specialty pharmacies.*

Once a prescription for AMPYRA has been submitted and insurance coverage and eligibility for co-pay mitigation have been verified, an individual from AMPYRA Patient Support Services will forward the prescription to a specialty pharmacy. The pharmacy will fill the prescription and arrange delivery of AMPYRA. Prior to necessary refills, the patient will be contacted by a staff member from the specialty pharmacy to arrange for another delivery.

You can contact AMPYRA Patient Support Services by calling 1-888-881-1918 Monday through Friday, from 8 AM to 8 PM ET.

You are encouraged to report negative side effects of prescription drugs to the FDA. Visit MedWatch <http://www.fda.gov/Safety/MedWatch/default.htm>, or call 1-800-FDA-1088.

*Your Acorda representative will advise you if there are alternative distribution models affecting patients in your area.
